

Data Set: Sahlins's Data on Agricultural Production in Mazulu Village

Data File: Sahlins.txt

Source: Table 3.1 in Sahlins, M. *Stone Age Economics*. Aldine, 1972.

Variables:

consumers: weighted number of consumers per gardener in each household.

acres: number of acres per gardener tended in each household.

Notes:

- The observations are 20 households in an African village.
